

First Quarter 2011 Filings

Excerpt, IFRS Discussion Group Report on Meeting – June 16, 2011

Public companies with a calendar year end filed their first quarter financial statements under IFRSs by the end of June 2011. Staff from some of the provincial securities regulators provided the Group with preliminary observations about these filings and plans for identifying areas of concern. Members asked questions about areas of concern and expectations for the second quarter financial statements under IFRSs.
